

What a busy year!

Thank you - It was a busy summer this year. With winter not too far around the corner we wanted to thank our customers for their orders and are excited to work with you over the coming months.

We've also gone through a big change - *we're now under new ownership!* We underwent an employee buyout our proud new owners are:

- Glen Kemp -Designer
- Riley Geissler-Operations Manager
- Tammy Prongua-Controller/Inside Sales

We are now 100% employee owned & operated.

Looking forward to 2022!

Prevent 2022 delivery delays and lost revenue in your next summer season by placing your orders ASAP! This will help you avoid long lead times, keep you on schedule, and lock in your pricing.

FAQ'S

What colors are available?

- We can color match your existing color or match any color on the RAL color chart

Can I get locks for my front load bins?

- Yes, Fusion West has two styles of locks for front load - auto or manual.

Can I get wildlife proof bins?

- Fusion West offers wildlife proof bins on booth front ends and roll offs to prevent unwanted scavenging.
